

## Gigabit Certified—Smart Rural Community

La Motte / Andrew Telephone Company has achieved the elite designation as a Smart Rural Community internet provider.

Because of the investment made to bring a state-of-the-art fiber network to the communities of La Motte, Andrew, Zwingle, St. Donatus, Nita Ho, Spring Valley Park, Cottonville, and our exchange areas in rural Bellevue and rural Maquoketa, our system is now Gig Certified; effectively closing the rural divide for access to broadband.

We are proud to be able to provide this level of service to our area!
