HAPPY HOUSE

An Enhanced WiFi Experience.

Powered by Plume®

Happy House eliminates blind spots, elevates your WiFi experience, and protects your home network.

It works continuously to improve your connection to avoid interruptions and address connection issues before you even notice.

For \$10/month, you can have dependable internet service throughout your home. For larger or unique style homes, additional devices are available.

No more dead spots, buffering, or resetting your router.

You can view all of your connected devices for easier management, real-time online protection, built-in ad blocking, easier parental controls, guest management, motion detection, speed checks, link to Alexa, and so much more.

See QR Code below for more details:

Lifeline and ACP are two FCC programs to assist with the cost of phone and internet service. Eligible households can receive \$5.25/month for phone or \$9.25/month for internet through Lifeline. Your household cannot get both telephone and internet service through Lifeline. \$30/month for internet through ACP. Every year USAC will confirm you still qualify through recertification.

To apply for these programs:
