MONTHLY NEWSLETTER

LIFELINE ASSISTANCE PROGRAM

Lifeline is a federal government benefit program that lowers the monthly cost of telephone or internet service by providing a monthly bill credit per qualified household. Currently, the monthly telephone credit is \$5.25 and the monthly internet service credit is \$9.25. If you qualify, your household can get Lifeline on either telephone or internet service, but not both.

You may receive this low-income assistance from only one phone or internet provider. La Motte & Andrew Telephone Company is a participating provider of landline telephone and broadband internet in the Lifeline program. You may qualify if you can provide proof of income at or below 135% of the federal poverty guidelines OR if you provide proof of participation in any of these government benefit programs: Supplemental Nutrition Assistance Program (SNAP), Medicaid, Federal Public Housing Assistance (FPHA), Veteran’s Pension and Survivors Benefits, or Supplemental Security Income Program (SSI). If you qualify, recertification to renew your Lifeline benefit is conducted each year by USAC (Universal Service Administrative Company), the federal agency that administers the Lifeline program. Respond in a timely manner to any notifications you receive about the need to recertify your eligibility.

To see if you qualify, go to: <https://www.lifelinesupport.org>
